

Kelato

ANIMAL
HEALTH

Feel well. Perform well.

A horse that feels well performs well

Kelato Animal Health is an Australian owned company dedicated to producing and providing a range of horse health and nutrition products that help horses.

Some of their products that you may be familiar with are: -

- **Appetite** - which stimulates hunger and encourages eating
- **BetaCALM** - helps making spooky horses calm
- **CoolWRAP** – Cooling compression bandage
- **Emergency First Aid Kit** – Essentials for common injuries
- **EnduroWRAP** – tough cohesive bandage
- **GastroAID** – Eliminates symptoms of poor gut health
- **Greasy Heel Kit** – Combats greasy heel
- **Hoof PRIME** – Formulated to strengthen and nourish the hoof
- **KelatoLYTE** – Electrolyte replacer
- **KelatoVIT** – Provides the vitamin and chelated mineral
- **LoosenUP** – improves suppleness and freedom of movement
- **NutriFLEX** – provides nutrients for strong and flexible tendons
- **PulmonAID** – Strengthens capillaries
- **QuickHEAL** - Non-toxic topical ointment
- **Revolve** – Rotational wormer
- **SwellDOWN** - Relieves leg & muscle soreness
- **Voltage Paste** – Energy boost for horses
- **ZanoBOLIC** – Aids in development of lean muscles

Kelato will be sharing a presentation on **Emergency First Aid, and Gastric Health**, covering information on some of their most popular products.

www.kelato.com.au

Do come and join us for a fun filled evening of discussion, questions and answers on all the above products – Emma and Suzanne from Kelato will be happy to answer any of your questions

Even if you think your horse is looking and feeling in top form do come and listen and learn

Special Prize:
