

EQUINE DENTAL
ASSOCIATION OF AUSTRALIA INC.

Our first lecture /clinic will be with Tim Barnes who is an Equine Dental Technician based in the Highlands and has been servicing Shibumi regularly now for many years ...

Tim has been involved with horses for his entire life and is the President of the EDAA (Equine Dental Association of Australia) and is actively involved with teaching and assessing students. He is extremely knowledgeable and I promise everyone will go home with lots of information and definitely more educated on how a horses' mouths moves when they eat and how their teeth should fit together for optimum performance

Do come and join us for a fun filled evening of discussion and demonstration on equine dentistry – Tim will be happy to answer any of your questions

Even if you are not in the line for your horses teeth to be seen to - do come and learn how a horses teeth should be filed without inflicting or causing pain

- **Monday evening 11th July 2016**
- **4 30 for a 5pm** prompt start
- The cost of the clinic will be **\$27.50 per head** - this will include a light meal and cold drinks
- Please **RSVP to Sheryl on 0410 536 755** or equestriancentre@shibumi.net.au for catering purposes no later than **5pm Wednesday the 6th July**
- Please let me know too if you have any dietary needs

We will use our ponies and horses as models so it will not necessary to bring your own horses
